Subject:	Your digital subscription: last chance to renew for uninterrupted access

The Economist

Your subscription renewal

Your customer reference number:	**05354509**
Expiry date:	**5th January 2013**
Renew now from:	**US$ 157.00**
Save:	**62%**

Dear Barak Eh,

Your digital subscription will expire in less than two weeks.

This is your last opportunity to renew for uninterrupted access to *The Economist* apps, *The Economist* online and *The Economist* in audio.

Renewing now also secures our best available annual subscription rate for another 12 months, saving 62% off the cost of buying *The Economist* from the newsstand.

Choose the annual auto-renew option and you'll save a further 10% off our best annual rate, whilst our money back guarantee means you'll receive a full refund against the unexpired part of your subscription, should you decide to cancel at any time.

Please renew without delay to continue enjoying uninterrupted access to *The Economist's* independent thinking and distinctive world view.

Yours sincerely

Oscar Grut
Publisher, digital editions

*Saving based on the cost of buying 51 issues of *The Economist* from the newsstand.
